To Whom it May Concern,

I am happy to recommend Steven Schrank, who recently completed their student teaching at Morrisville Middle/Senior High School. Steven demonstrated a strong work ethic, an exceptional ability to connect with students, and a collaborative spirit that enriched our school community.

Steven consistently prepared engaging lessons and built meaningful relationships with students, fostering an inclusive and supportive classroom environment. His dedication was evident not only in their instructional work but also in their willingness to adapt and adjust, whether by integrating new teaching strategies or finding creative solutions to challenges in the classroom.

Beyond teaching, Steven eagerly supported students, always going above and beyond what was asked of him. He worked seamlessly with colleagues, seeking feedback and sharing ideas to enhance the learning experience for all students.

I am confident Steven will excel as an educator, inspiring students and contributing to any school they join. Please feel free to contact me at 215-527-7975 or [boberdick@mv.org](mailto:boberdick@mv.org) if you need further information or would like to discuss Steven's qualifications in more detail. Thank you for considering this recommendation.

Sincerely,

Brian Oberdick
