To Whom It May Concern,

I am pleased to recommend Steve Schrack, who I have had the privilege of working with at Pennsbury High School. Steve started here as a building sub when I was doing coverages for teachers. Steve is an incredibly reliable and dedicated team member. He consistently goes above and beyond, tackling any challenge with a positive attitude and a strong work ethic.

Steve is quick to learn new skills and is always eager to improve. His willingness to take on tasks, no matter how difficult, and his commitment to delivering quality results make him a standout employee. He also maintains excellent relationships with both colleagues and students, contributing to a positive and collaborative environment both in the classroom and outside the classroom.

In short, Steve is a hardworking, adaptable, and supportive individual who would be a tremendous asset to any team. I highly recommend him for any future opportunities.

Please feel free to contact me with any questions.

Sincerely,

Kelly Lewis
